

Noriaki Ito

Senior Vice President and Managing Director of Corporate Strategy & Planning Department

Noriaki Ito was named NTT DoCoMo's Senior Vice President and Managing Director of the Corporate Strategy & Planning Department in June 2005.

While at NTT DoCoMo Hokkaido, Inc., he became Representative Director in June 2004, adding this title to his concurrent post of Managing Director of the Corporate & Strategy Planning Department, which he assumed in September 2003. He also served concurrently as Managing Director of the Personnel Development Office from July to September 2003. He was the Corporate Strategy & Planning Department's Senior Director from July 2003 and Managing Director from September to December 2003.

Mr. Ito entered NTT Public Corporation in April 1977, after graduating from Hokkaido University's Graduate School of Engineering with a master's degree in electrical engineering. He was born on April 3, 1952.
