About NTT DoCoMo

NTT DoCoMo is the world's leading mobile communications company with more than 40 million customers. The company provides a wide variety of leading-edge mobile multimedia services. These include i-mode, the world's most popular mobile internet service, which provides e-mail and internet access to over 30 million subscribers, and FOMA, launched in 2001 as the world's first 3G mobile service. In addition to wholly owned subsidiaries in the United States, Europe and Brazil, the company is expanding its global reach through strategic joint ventures and other alliances with mobile and multimedia service providers in the Asia-Pacific, Europe and North America. The company is listed on the Tokyo Stock Exchange. For more information, visit www.nttdocomo.com
